We know you don't just want signs. You want to draw some attention and bring in customers! Knowing this allows us to work closely with you to create an effective piece of marketing that will promote your event or drive customers to your business. Our experienced, professional team will work with you--within your budget--to help you increase your visibility.

Since 1989, STG Signs & Graphics has been one of Southern California's leading sign companies. We've earned our reputation as a sign maker that delivers:

- Reliability
- Quality
- Customer Service
- Fast Turnaround

STG Signs & Graphics is a California sign maker that is equipped to meet your signage and custom graphics needs. We specialize in creating premium signs, decals, banners and posters to meet your individual or group needs. If you can dream it, we can create it!

Our Orange County sign shop is your number one choice for all types of signs and banners and other forms of powerful advertising. We are well-known for our creativity and innovation as sign makers. We guarantee superior customer service for your California signs and banners needs, working with you from start to finish to help you create a perfect, unique design. We make sure your project is done quickly, effectively and exactly the way you want it. We want to be your California sign makers.

Our goal is to make your signs and banners in Southern California a success!

We Offer:

- On-Line Ordering
- Secure Transactions
- Rush Service
- Color Matching
- Satisfaction Guaranteed!
