
Posters - Foamcore | Easel, Tradeshow, retail applications and presentations

STG Signs and Graphics produces vibrant eye-catching posters on lightweight foamcore. Foamcore posters are excellent for easel signs, tradeshow signs, retail applications and presentations.

For more demanding applications STG Signs and Graphics can print your posters on Gatorfoam ®. Gatorfoam ® is a very strong, rigid foam board perfect for posters that can weather the time and the elements.

Both foamcore and Gatorfoam ® are available in black or white edging.

Feel free to contact us today for all your Custom poster needs. Whatever you need, we can make it happen here at STG Signs and Graphics.
