
Decals - Digital | Orange County Digital Print Decals

Orange County Digital Print Decals

Digital Print and Die-Cut Decals have transformed the industry. STG Signs and Graphics can print your full-color graphics and then die-cut them to any shape - basic or intricate. We can print and cut decals as small as 1 inch or large as 72 inches! Here are some of our current products:

- Standard Vinyl with Standard Overlamine - Good for interior applications or short-term exterior user (1-2 years)
- 3M high-performance vinyl with high performance overlamine - Long term exterior use (vehicles, signs, etc)
- Removable Vinyl with Standard Overlamine - Similar to static cling
- Clear-Vue - Window Binyl with optically clear overlamine. Give us a call and we can get started printing and cutting your Digital Print and Die-Cut Decals!
